

Friday 14th January 2022

Dear parents & families

Here’s a round-up of some of the fantastic learning opportunities your children have had this week.

This week over at The Norman pupils in Wrens class have been exploring winter, the colour blue and the number one. They have been investigating what makes ice melt and the feeling of snow. They have been using lots of winter language - cold, frozen, snow and blue. The children had lots of fun melting the ice to discover some deep sea creatures!

In the run up to Christmas, Robins class participated in a community fundraising event ‘12 Days of Christmas’ to raise money for people who were in need over Christmas. They donated £20 as a class and sent this to be added to the fundraising pot which was used to surprise people with a food hamper containing

vegetables and lots of tasty goodies. They done 10 minutes of exercise every day to help us stay fit and active and remind us that community, friendship and caring for others is important.

Over at Weeting Primary School Chestnut Class have been exploring their new theme of “Space”. This week they have been learning about astronauts. After watching Tim Peake on the International Space Station and learning about Mae Jameson, the children painted an astronaut, making sure that they included all the equipment needed. Snack time was a bit different this week. Instead of “Earth Snack”, the children tried “Space Snack” and tucked into delicious space ice cream, space apple, space banana and space pear!

Over at Duchy of Lancaster Hedgehog Class have been busy in RE learning about how Muslims show compassion for animals by reading

different Muslim stories, the children then worked together as a group to retell the stories.

Attendance

We would like to remind parents that children are expected to attend school regularly. At The Trinity Partnership our aim is to work with parents to ensure that all our pupils receive the most from their

‘A cord of three strands is not easily broken’ Ecclesiastes 4:12

The Trinity Partnership

education and reach their full potential. Please also be aware that, being late can be a disruptive way for children to start their school day as well leading to lost learning time.

Although term time holidays are not considered to be exceptional circumstances, any request for a planned leave of absence must be completed in advance in all circumstances, including holidays.

If the school does not receive a request for leave, we will be unable to consider your individual circumstances and the absence will be recorded as unauthorised. We are aware that sometimes an emergency medical appointment cannot be avoided but we do ask that any routine medical appointments are made after school or in the school holidays.

This week the following classes won their school's Attendance Award:

The Norman CE Primary School	<ul style="list-style-type: none"> • Owl Class With 95.45 %
Duchy of Lancaster CE Primary School	<ul style="list-style-type: none"> • Rabbits Class with 100 %
Weeting CE Primary School	<ul style="list-style-type: none"> • Oak Class with 93.33 %
