

Friday 1st October 2021

Dear Parents and Families,

Welcome to our new Executive Headteacher

Mrs Brown has joined the Trinity Partnership team as an Executive Headteacher.

“I am thrilled to be working with The Trinity Partnership and supporting all schools with their developments. I have been working with the schools since September and have enjoyed meeting the children, staff and families. My main role is to ensure the schools have everything they need to be able to achieve their vision of exceptional education. I will work with staff, children, the local community and Headteachers to provide support, listen to ideas and overcome any challenges. I look forward to working with you and thank you for the warm and friendly welcome.”

All schools have been very busy this week and although we may have had storms and rain outside all has remained busy and focused in schools.

At Norman Primary school some local villagers with an interest in pond wildlife came and conducted a survey of what animals have been using the school pond & wildlife area.

Hopefully over the next few months we can begin to strip back some of the overgrown trees and remove some of the vegetation so we can safely start using the pond area again with the children.

This week also saw The Norman celebrate Harvest Festival at their local church, St Andrews. Each class gave a presentation and parents joined in with the hymns to give thanks for the harvest. It was lovely to have the whole school together and to invite the parents to join us too.

Over at Duchy of Lancaster Hedgehog Class enjoyed working together to create a new reflection area in class. Each child's handprint was used to create a cross to go in the reflection area. The children have been really enjoying using the area to reflect or to express any worries using the worry bin.

At Weeting the children in Chestnut Class have continued learning about their bodies. They thought about all the amazing things their bodies could do and decided that “wiggling” was one of the best things!

‘A cord of three strands is not easily broken’ Ecclesiastes 4:12

They also met Simon Skeleton and learnt the names of different parts of him including “spine”, “ribs” and “skull”. They looked very carefully at how the bones were joined together to help them make their own skeleton pictures.

Attendance

We would like to remind parents that children are expected to attend school regularly. At The Trinity Partnership our aim is to work with parents to ensure that all our pupils receive the most from their education and reach their full potential. Please also be aware that, being late can be a disruptive way for children to start their school day as well leading to lost learning time.

Although term time holidays are not considered to be exceptional circumstances, any request for a planned leave of absence must be completed in advance in all circumstances, including holidays.

If the school does not receive a request for leave, we will be unable to consider your individual circumstances and the absence will be recorded as unauthorised. We are aware that sometimes an emergency medical appointment cannot be avoided but we do ask that any routine medical appointments are made after school or in the school holidays.

This week the following classes won their school’s Attendance Award:

The Norman CE Primary School	<ul style="list-style-type: none"> • Starlings Class With 98.10 %
Duchy of Lancaster CE Primary School	<ul style="list-style-type: none"> • Hedgehogs Class with 99.16 %
Weeting CE Primary School	<ul style="list-style-type: none"> • Oak Class with 94.88 %
